

Cornerstone Society

The DFO Cornerstone Society honors supporters who have named **The Dental Foundation of Oregon** in their estate plans either through a will, trust, life insurance policy, or other planned giving arrangement. These generous and farsighted benefactors enable the Foundation to continue to provide funding for dental care and education for future generations of Oregonians. Deferred gifts are a wonderful way to establish a family legacy, set a philanthropic example for future generations and have a positive and lasting impact on community dental health. By becoming a member of the Cornerstone Society, your gift will ensure that the mission of The Dental Foundation of Oregon lives on through community dental clinics, education programs, and projects that enhance the lives and dental health of Oregon children.
